The United African Congress (UAC) announces the third webinar in its series about COVID-19 in Africa.

The **May 14th, 12 PM webinar** will address:

- Why do some countries in Africa have higher rates of infections and others report fewer cases?
- Are infection rates artificially low due to lack of testing?
 - What can be done now to stop the spread?
- Are lockdowns leading to hunger and human rights abuse?

Join us as four eminent reporters from South Africa, Ghana, Nigeria and Lesotho, address these and other questions.
